Post No.: 1

POST DESIGNATION: EXECUTIVE MANAGER: ENGINEERING WIRES (ONE (1) POST)

SALARY GRADE: All-inclusive salary package within the salary structure of CENTLEC (SOC) Ltd
INTERNAL / EXTERNAL.

DIRECTORATE: ENGINEERING WIRES

QUALIFYING REQUIREMENT: CENTLEC (SOC) Ltd is seeking to appoint an Executive Manager: Engineering Wires for a five (5) year term fixed contract.

QUALIFICATIONS: • B.Sc in Electrical Engineering (Heavy Current) or B.Tech in Electrical Engineering (Heavy Current) or Equivalent with a Governance Certificate of Competence (GCC)(Factories).

•Registered with ECSA (Engineering Council of South Africa).

EXPERIENCE: • 5 - 7 years' working experience in management of a medium to large Electrical Entity with a maximum demand of 320 MW.

CORE DESCRIPTION: The successful candidate will work closely with the Board, CEO and Senior Management to: • Plan and develop engineering systems for CENTLEC (Soc) Ltd in line with professional standards and legislative requirements;

- Strategically advise the Chief Executive Officer and the Chairperson Committee;
- Management and delivery of the engineering services;
- Manage the energy requirements of customers in an efficient and effective manner that leads to reduction of power failures and optimize the power systems performances;
- Design infrastructure for the electrification programs of CENTLEC (SOC) Ltd;
- Provide effective and efficient metering systems;
- Establish and ensure IT governance framework and structures for CENTLEC (SOC) Ltd;
- Design of street and lighting projects and provision of land infrastructure for electrical programs of the city;
- Implementation and integration of alternative energy plants on the distribution system.

REQUIRED COMPETENCIES AND SKILLS: • A Post Graduate qualification in management will be an added advantage;

- Registration with Department of Labour as competent person for an electrical distribution network above ten (10) MVA is an added recommendation;
- Registration with the Engineering Council of South Africa as a Technologist or Professional Engineer;
- Strategic thinker with strong analytical and network skills;
- Ability to exercise sound judgement, good organizational and project management skills with proven leadership record;
- Business planning, administration, negotiation, financial, team working and report writing skills;
- Policy development and implementation skills;
- Knowledge of Local Government and related Acts and other relevant regulatory framework;
- The candidate must attain the minimum competency level in the unit standards of each competency area within eighteen (18) months from date of appointment.

EMPLOYMENT EQUITY: Employment Equity candidates will be given preference.
